V. V. GIRI,

President.

N. D. P. NAMBOODIRIPAD,

Joint Secy. to the Govt. of India.

Reasons for the enactment

At present the Soil Conservation works are being undertaken on the cultivator's field through persuasion under an extension programme. Quite often many obstacles come in the way of execution of these works. The desire to have quick return from the land in disregard of the adverse effects on sustained production, often leads the farmers to adopt faulty land-use practices resulting in accelerated soil erosion and impoverishment of soil fertility.

2. The object of the proposed Legislation is to ensure execution of schemes of Soil and Water Conservation in a scientific manner expeditiously. Land and Water Management play an important role in the development of agriculture, protection against drought and floods, domestic and industrial water supply, hydro-electric projects, etc. In order to ensure maximum production from the land, it is essential that the process of soil erosion, which is continuously depleting land fertility particularly in the hilly and sub-hilly regions of the State should be checked. A number of River Valley Projects have been executed in the State and more are likely to be executed in future. In addition, a number of major and minor Irrigation Projects are also being taken up. Soil erosion in the catchments of these projects results in deposition of silt, thereby reducing the effective life of the projects. The Bill provides for the preparation of schemes of soil conservation measures and their maintenance and repairs after their execution.

3. The Committee constituted under the proviso to sub-section (2) of section 3 of the Bihar State Legislature (Delegation of Powers) Act, 1969 (32 of 1969), has been consulted before the enactment of this measure as a President's Act.

Bihar
Ordinance
XII of 1968.

Bihar
Ordinance
II of 1968.

V. V. GIRI,
President.

N. D. P. NAMBOODIRIPAD,
Joint Secy. to the Govt. of India

Reasons for the enactment

The importance of advancing long-term loans, through the medium of the Land Development Banks, has quite increased. In this direction a big programme has been adopted. But the loaning procedure of the Land Development Bank is based on the mortgages of land for speedy execution of which the existing Co-operative Law needs amendments. Some progressive States have achieved this objective by inserting a special Chapter to their Co-operative Societies Acts. Accordingly, an appropriate Chapter was added to the Bihar and Orissa Co-operative

Societies Act, 1935 by promulgation of the Bihar Co-operative Societies (Amendment) Ordinance, 1968 (Bihar Ordinance II of 1968) the Bihar Co-operative Societies (Second Amendment) Ordinance, 1968 (Bihar Ordinance V of 1968), and the Bihar Co-operative Societies Third (Amendment) Ordinance, 1968 (Bihar Ordinance XII of 1968).

2. Though a Bill to replace the Bihar Co-operative Societies Third (Amendment) Ordinance, 1968 was introduced in the Bihar State Legislature, it could not be passed into law due to the dissolution of the State Legislative Assembly, consequent on the Presidential Proclamation, dated 29th June, 1968.

3. Subsequently, in view of the oncoming mid-term polls in the State of Bihar, it was not considered, then, necessary to enact President's Act for replacing the Bihar Ordinance XII of 1968. Thereafter, before that Ordinance could be replaced by the Act of the State Legislature, the State Legislature was suspended by the Proclamation of the Vice-President, acting as President, dated 4th July, 1969

4. The proposed measure seeks to replace the Bihar Co-operative Societies Third (Amendment) Ordinance, 1968 (Bihar Ordinance XII of 1968).

5. The Committee constituted under the proviso to sub-section (2) of section 3 of the Bihar State Legislature (Delegation of Powers) Act, 1969 (32 of 1969) has been consulted before the enactment of this measure as a President's Act.
